

extreme STEAM summer camp

Drones, LEGOs, Coding & More!

Looking for something both fun and educational this summer? We've got you covered!

- Fun & unique STEAM experiences
- Exciting field trips
- NFL Play 60

Where else this summer will your child cool off at a water park, create and fly their own drone, spin around an amusement park, and learn how to code a game like Minecraft – all in the same week?

At Extreme STEAM Summer Camp!

FREE Adventure Pack!

Your camper will receive a free Adventure Pack on their first day of camp – cool t-shirt, reusable water bottle, and backpack to carry all their gear!

WEEKLY STEAM PROJECTS

Each week of Extreme STEAM is packed with fun, imaginative projects and field trips.* STEAM projects are hands-on and open-ended. Here's a sampling!

LEGOs

Campers investigate characteristics to help make buildings resistant to earthquakes, using an earthquake simulator constructed from LEGOs!

DRONES

Your child will explore the science behind drones, how they're used to solve real-world problems, and learn remote sensing and flight control.

SAVE THE MOUNTAIN

Campers solve real-world problems when they use their ingenuity to build a structure to stop mountain erosion.

CATAPULT

In this engineering and physics challenge, your child will launch candy pumpkins to pom poms when they create their own catapult.

Other projects include:

- DNA Testing
- Journey through Minecraft with Code
- Make an Amusement Park Ride
- Build a Better Bear

Let's get moving! NFL Play 60 shows your child how to be active 60 minutes a day with fun, outdoor games. Find out more at nfl/play60.com.

Field Trips* & Special Experiences

If field trips are possible, our school will follow all CDC, state, and local guidance. If external field trips are not recommended, we'll bring field trips to our school!

Tuition and Registration

Tuition varies by location, so please contact your school for pricing. Spaces are limited, so register today!

Tour Our School!

In-person and virtual tours are available! Contact us to schedule a tour today.

*Field trip plans are subject to change based on the most up-to-date guidance. Weeks and themes vary by your child's grade level and school. See your Director for your school's activities.

Camp Designed for Your Family

- Unforgettable field trips
- Fun & unique STEAM experiences
- Academic components to keep your child learning
- Staff certified in first aid and CPR and trained on health & safety
- Fresh, healthy meals and snacks included

Summer camp has reduced availability this year.

Register today to secure your child's spot. Contact your school to get started.

Committed to Health & Safety

Nothing matters more than your child's health and safety.

Our schools follow strict health, safety, and disinfection guidelines from the CDC and state departments of health. Our teachers are trained on these health & safety practices, and are also certified in first aid and CPR.

Please contact our school for the most current community-specific guidelines.

About Foundations Early Learning Center:

Our mission is to enrich children's lives through meaningful, innovative early learning experiences. Our programs for children 6 weeks – 12 years old focus on school readiness, socialization, literacy, self-esteem, and problem-solving, and help support the academic and social needs of children.
