

To Infinity and Beyond!

Extreme STEAM Summer Camp is powered by fun, exploration, and adventure – everything summer should be about!

Designed for children 5 to 12-years-old, each week is a new theme packed with fun and educational STEAM projects and field trips. There's always something new to experience, and no two days are the same.

- Unforgettable field trips, including water parks, planetariums, zoos, hikes, & more!
- Unique weekly STEAM themes
- Memorable hands-on STEAM experiences & experiments
- Outdoor playtime and daily physical activity

Where else this summer will your child cool off at a water park, observe a giraffe's patches up-close and personal, and learn the basics of coding and robotics – all in the same camp? Only at Extreme STEAM Summer Camp.
